ORDER GRANTING MOTION TO COMPEL DISCOVERY

On November 8, 2011, Vermont Electric Power Company, Inc., and Vermont Transco LLC (collectively "VELCO" or the "Company"), filed a motion for an order compelling discovery pursuant to V.R.C.P. 26(h), 37(a) and Public Service Board Rule 2.14(A) ("VELCO Motion"). Specifically, VELCO seeks an order directing Ms. Julinska and Mr. Kniazev (the "Landowners") to produce the documents and information the Company requested in Interrogatory 41 and Requests to Produce 6-11 and 16. On November 14, 2011, the Landowners filed a response opposing VELCO's request to compel discovery. Having considered both filings, I have decided to grant the VELCO Motion. This summary ruling is being issued for the convenience of the parties to facilitate timely and adequate discovery in this proceeding. A further order setting forth the grounds for this ruling in greater detail will be issued forthwith.

SO ORDERED.

Dated at Montpelier, Vermont, this 17th day of November, 2011.
